ABOUT US

We're a home based business home goods producer with bedding as our core business. All of our bedding material made from high quality cotton fabric.

OUR PRODUCT

OUR STRENGTH

Our product focus on three things; simple, comfortable and functional. We aim to use only high quality material, with simple and modern design.

Align with our bedding products, we also expand our business to other home goods such as blanket, quillow (quilt pillow), cushion, wall décor to casual sleep wear.
